

Hickory Hills Water & Sewer Company
Case WR-2006-0250

Errata Sheet of Direct Testimony of Scott D. Clark

Page 9, line 20 reads:

Amortization of engineering expenses and well repair expenses were included to evenly spread the cost incurred during the test year for both of these major expenses items over five years.

Should read:

Amortization of the engineering expenses was included to evenly spread the cost incurred during the test year for this item over five years.

Amortization of the well repair expenses was included to evenly spread the cost of this item which incurred outside of the test year over five years.
