ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: September 25, 2017

Effective Date: September 25, 2017

On August 29, 2017, Missouri-American Water Company (“MAWC”) filed an application and petition with the Missouri Public Service Commission pursuant to Sections 393.1000, 393.1003, and 393.1006, RSMo 2016, and Commission Rules 4 CSR 240-2.060 and 3.650, requesting that the Commission authorize it to change its Infrastructure System Replacement Surcharge (“ISRS”). The Commission issued notice of the application, and allowed interested parties to apply to intervene.

Missouri Industrial Energy Consumers (“MIEC”) filed a timely application to intervene. No party opposes MIEC’s request.

Commission Rule 4 CSR 240-2.075(3) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that the applicant meets the standard in Commission Rule 4 CSR 240-2.075(3). Therefore, the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene filed by Missouri Industrial Energy Consumers is granted.
2. This order shall be effective when issued.
