File No. AW-2017-0336

Motion for Public Hearings

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and states that Staff will hold a workshop on July 26, 2017, to receive input from the Office of the Public Counsel, utilities, and other parties who regularly appear before the Commission, on areas of the Commission's existing regulations that can be improved to simplify them and to make them more effective, while removing any unnecessary regulatory burdens. In furtherance of these goals and to receive input from the general public, Staff therefore moves the Commission to schedule two Public Hearings in August 2017 at the Governor Office Building in Jefferson City, Missouri.

WHEREFORE, Staff prays that the Commission will set two Public Hearings as described above.

Respectfully submitted,

/s/ Kevin A. Thompson
