SECOND JOINT MOTION FOR EXTENSION OF TIME

COMES NOW Missouri-American Water Company ("MAWC"), by and through the undersigned counsel, and on behalf of MAWC, Staff of the Missouri Public Service Commission, and the Office of the Public Counsel, known together herein as "the Parties," moves for a second extension of time to respond to the Missouri Public Service Commission's ("Commission") *Order Directing Filing*. In support, MAWC on behalf of the Parties, states as follows to the Commission:

1. The Commission's *Order Directing Filing* directed the Parties to file pleadings no later than September 29, 2021, stating how they believe the Commission should proceed in this matter. The Commission indicated a joint filing is preferred. On September 27, 2021, the parties filed a *Joint Motion for Extension of Time* that was granted by the Commission on the same date.

2. The Parties have continued to engage in discussions concerning how they believe this matter should proceed. The parties have generally agreed as to the amount at issue in this matter. However, they are still discussing the methodology for addressing this amount. Accordingly, the parties move for the Commission to allow an additional week (until October 20, 2021) for the Parties to further discuss these issues and to make a filing with the Commission.

WHEREFORE, MAWC, on behalf of the Parties, respectfully moves for an additional one week extension of time (until October 20, 2021) to respond to the *Order Directing Filing* for the reasons stated herein.

Respectfully submitted,
