Infrastructure Rate Adjustment ("WSIRA"))	YS-2023-0121

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (“MAWC”), and for its *Motion for Expedited Treatment* pursuant to Commission Rule 20 CSR 4240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. MAWC filed its petition on September 9, 2022 seeking to change its water and sewer infrastructure rate adjustments (“WSIRA”) under Sections 393.1500-1509, RSMo. On December 28, 2022, the parties filed a *Unanimous Stipulation and Agreement*. That Stipulation and Agreement asked the Commission to approve WSIRA revenues of \$11,022,754 from St. Louis County water customers, and \$2,440,729 from all other water customers, for a total of \$13,463,483 in water WSIRA revenues. It also asked for Commission approval of sewer WSIRA revenues of (\$1,077) from Arnold sewer customers, and \$6,786 from all other sewer customers, for a net of \$5,709 in sewer WSIRA revenues. The Stipulation and Agreement included exemplar tariff sheets that were proposed become effective on or about January 16, 2023.

2. By an *Order Approving Stipulation and Agreement* (“Order”) issued on January 4, 2023, the Commission approved the revenues identified by the Stipulation and Agreement, and authorized MAWC to file revised tariffs to implement the terms of the Stipulation and Agreement.

3. The revised WSIRA tariff sheets, Tracking Nos. YW-2023-0120 and YS-2023-0121, are attached hereto. Although the tariffs bear an effective date 30 days after issuance,

MAWC requests that the tariffs be allowed to take effect for service rendered on and after January 16, 2023, or as soon thereafter as is reasonable, as called for by the Stipulation and Agreement.

4. Pursuant to Commission Rule 20 CSR 4240-2.080(14), MAWC submits that the tariff sheets are being filed in compliance with the Commission's *Order*; and the tariff sheets would implement rates in accordance with Sections 393.1500-1509, RSMo. in regard to plant that has been placed into service between May 1, 2022 and October 31, 2022, and is currently used and useful and providing service to customers. Therefore, a grant of this Motion would provide rate recognition of this plant at a rate recognized by statute and is in the public interest. MAWC further states that this Motion is being filed as quickly as possible after the Commission issued its *Order*.

WHEREFORE, MAWC respectfully requests an order of the Commission granting this motion and allowing the revised WSIRA tariff sheets, Tracking Nos. YW-2023-0120 and YS-2023-0121 to take effect for service rendered on and after January 16, 2023, or as soon thereafter as is reasonable. MAWC requests such additional relief as is necessary or appropriate under the circumstances.
