RE: 2011 "One Call" Legislation
Case No: GW-2010-0120

Dear Chairman Clayton:

The AGC of Missouri Legislative Committee met today. The meeting included review of the 11/26/10 Draft of potential 2011 "One Call" legislation.

AGC of Missouri supports proceeding with introduction of 2011 legislation based on the 11/26/10 PSC Draft, although we do believe there are several sections which require additional work, including

Section	Subject
319.026.9 319.026.10	"Notices of Continuing Excavation"
319.026.11 319.026.12	New Notice Required for Certain Changes in Original Notice of Excavation

AGC of Missouri will be pleased to work with the PSC and other stakeholders to successfully resolve these and other issues discussed at the December 6 Stakeholders Meeting.

Thank you for your efforts and those of the PSC staff to build consensus in moving forward on this legislation.

Sincerely,

Jack D. Atterberry
