**Subject:** Missouri Renewable Energy Standard Work Session Reminder and Additional Information

Just a reminder, we will be meeting for a "working session" next Wednesday, July 29, 2009 from 8:30 a.m. until 5:00 p.m. The "working session" will be in Conference Room 130 in the Governor Office Building, Jefferson City, MO. When you enter the building from Madison Street, take the elevator to the 1st floor, Conference Room 130 is at the top of a ramp (to your right as you exit the passenger elevators). Conference call numbers for this "working session" are: 526-5712 (local) and 866-630-9350 (toll-free long distance).

The primary focus of this session will be sections 5 and 6 of the Chapter 20 rule. I have attached three documents to this e-mail. The two Word documents are copies of sections 5 and 6 as last issued in Revision 11. I have appended comments received on each of these sections in those documents. In some cases, the comments are presented as a rewrite of the section. The third document is a copy of the comments received from AmerenUE that pertain to both Sections 5 and 6.

If you have any questions or comments, please call me.
