RE: Statement of Compliance in Regard to Hickory Hills Water & Sewer Company

Dear Judge Reed,

The violations stated in my amended pleading are still in existence and are of continued concern to the department. Further, we are currently pursuing an enforcement action against Hickory Hills Water & Sewer Company for the stated violations. However, the department feels that some if not all of the company's issues would be significantly improved by additional funds being made available.

If you have any questions or if I may be of further assistance please do not hesitate to contact me at (573) 522-9911 or on my mobile phone at (573) 356-6704.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard W. Moore".
