Effective Date: August 27, 2010

The Missouri Public Service Commission is scheduling a pre-hearing conference.

The pre-hearing conference's purpose and function is as follows:

(6) Parties may consider procedural and substantive matters at the prehearing conference which may aid in the disposition of the issues. Matters which require a decision may be presented to the presiding officer during the conference.

(7) Facts disclosed in the course of a prehearing conference and settlement offers are privileged and, except by agreement, shall not be used against participating parties unless fully substantiated by other evidence.^[1]

Parties shall participate as set forth below. At the prehearing conference, the parties shall be prepared to discuss pending motions, exchanges of information, the number and nature of witnesses and exhibits the parties intend to present at hearing, a procedural schedule, and the possibilities for settlement. The Commission encourages the parties to continue their attempts to resolve disputed matters among themselves and offers mediation services for that purpose.
