**ORDER DIRECTING FILING**

Issue Date: February 27, 2006

Effective Date: February 27, 2006

South Jefferson County Utility Company and the Summer Set Property Owners Association filed an application to cancel the certificate of convenience and necessity to operate a water and sewer company granted by the Missouri Public Service Commission to South Jefferson. In the application, applicants inform the Commission that upon cancellation of the certificate, the assets of the water and sewer company will be transferred to the property owners.

Because this matter resembles a transfer of assets, rather than a certificate cancellation, the Commission will treat it as a transfer case. As such, Commission rules 4 CSR 240-3.310 and 3.605 require, among other things, a copy of the contract or agreement of sale.

Upon receiving the required statement, the Commission will proceed expeditiously with this application.

**IT IS ORDERED THAT:**

1. South Jefferson Utility Company and the Summer Set Property Owners Association shall file a copy of the contract or agreement of sale as required by Commission rules 4 CSR 240-3.310 and 3.605.

2. This order shall become effective on February 27, 2006.
