**MOTION FOR EXPEDITED TREATMENT**

**COMES NOW** Missouri-American Water Company (“MAWC”), and for its Motion for Expedited Treatment pursuant to Commission Rule 20 CSR 4240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

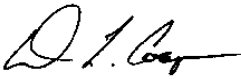

1. MAWC filed its ISRS petition on August 26, 2019. By Report and Order issued November 21, 2019 (effective December 7, 2019), the Commission approved incremental ISRS surcharge revenues in the amount of \$6,112,222, and authorized MAWC to file a revised ISRS tariff sheet to recover such revenue. The Commission further authorized MAWC to a new tariff sheet to recover the revenue authorized in the Report and Order.

2. The revised ISRS tariff sheet, Tracking No. YW-2020-0087, is provided herewith. Although the tariff bears an effective date 30 days after issuance, MAWC requests that the tariff be allowed to take effect for service rendered on and after December 7, 2019, or as soon thereafter as is reasonable.

3. Pursuant to Commission Rule 20 CSR 4240-2.080(14), MAWC submits that good cause for expedited treatment exists and no harm will result as the tariff sheet would implement rates consistent with those approved by the Commission in accordance with Sections 393.1000-1006, RSMo. MAWC also states that this Motion is being filed as quickly as possible after the Commission issued its Report and Order.

**WHEREFORE, MAWC** respectfully requests an order of the Commission granting this motion and allowing the revised ISRS tariff sheet, Tracking No. YW-2020-0087, to take effect for service rendered on and after December 7, 2019, or as soon thereafter as is reasonable. MAWC requests such additional relief as is necessary or appropriate under the circumstances.

Respectfully submitted,
