

February 17, 2023

Dear Stewartsville Customer:

Welcome to the Missouri American Water family! We are thrilled to have you as a customer. We are proud to be your new water and wastewater provider since February 17, 2023.

The transfer of your water and wastewater service accounts is being completed. There are no additional steps you need to take for your service to continue. Billing information is being transferred to our system. If you have a non-emergency question about the transition of your water and wastewater service, you may email us at welcomemoaw@amwater.com.

Your first bill from Missouri American Water is scheduled to arrive the week of March 20. A sample bill is enclosed for your reference. This bill does reflect the current water and wastewater rates.

MYWATER: CUSTOMER SERVICE AT YOUR FINGERTIPS

Below are helpful tips as we transition to being your water and wastewater service provider. This information can also be found on our website at missouriamwater.com > **Customer Service & Billing**.

As a customer of Missouri American Water, you have access to a self-service website called MyWater that allows you to manage your account and get emergency updates any time, day or night. With MyWater, you can pay your bill, turn water service on and off and track water usage history. When emergencies do occur, be sure you have access to the most up-to-date information by also signing up for alerts.

Signing up for MyWater is easy, free and simple! After you receive your first bill in the mail, visit missouriamwater.com and click on “Sign Up” in the “Login to MyWater” box in the top right corner. Make sure you have your Missouri American Water account number handy, which is listed on the top corner of your bill.

MyWater provides you with 24/7 payment ability. With MyWater, you can view and pay your bill, manage your account, set up paperless billing, and enroll in Auto Pay. Payments can also be made by phone or via mail. You can also pay by cash, check, or credit card. To learn more about these options, please visit missouriamwater.com. You can also contact customer service at **866-430-0820**.

YOUR SERVICE

Missouri American Water operates under regulations established by the Missouri Public Service Commission (MoPSC). If you believe we have not responded to an issue in a satisfactory manner, you have the right to request that the MoPSC review the unresolved issue. You may contact them at:

Missouri Public Service Commission
Governor Office Building
200 Madison St, PO Box 360
Jefferson City, MO 65102-0360
800-392-4211 or psc.mo.gov

continued on reverse

Included in this packet you will find a copy of our new customer brochure, cross connection letter, understanding your bill, and our rights and responsibilities brochure, which provides specific information about our policies regarding your water and wastewater service with us. It defines your rights and responsibilities and provides information about your bill, how to pay your bill and who to contact for questions regarding your service.

Our team of dedicated professionals is committed to providing exceptional water, wastewater and customer service. From customer service representatives to plant operators, our employees recognize the critical role they play in meeting your daily water and wastewater service needs. You will notice our employees are easily recognizable as they wear uniforms and carry company identification.

As a subsidiary of American Water, we have been providing reliable service to Missourians for more than 140 years. We are a proud community partner, dedicated to making your customer experience a pleasant one. We look forward to serving your community.

Sincerely,

Jody Carlson
Senior Manager Operations
Missouri American Water

CUSTOMER RIGHTS & RESPONSIBILITIES

MISSOURI
AMERICAN WATER

WE KEEP LIFE FLOWING®

YOUR RIGHTS AND RESPONSIBILITIES AS A CUSTOMER OF MISSOURI AMERICAN WATER

IF YOU HAVE A QUESTION OR COMPLAINT

Missouri American Water customer service representatives are dedicated to handling every customer inquiry with attention and care. Our goal is to answer your question or resolve your issue quickly and effectively. We encourage customers to call us at 866-430-0820 as soon as an issue arises. Representatives are available anytime for emergencies, and Monday through Friday from 7 a.m. to 7 p.m. for non-emergency calls.

BILL PAYMENT

Bill payments are due 21 days after the billing date. The due date is printed on the front of the bill. A delinquent charge may be applied to all accounts not paid in full by the due date. Bills become delinquent after the due date stated on the bill. If the bill is not paid, service may be disconnected.

DISCONTINUANCE AND RECONNECTION OF SERVICE

We will mail a written notice at least 10 days before we discontinue service for water customers (including customers that are both water and wastewater customers of Missouri American Water), and at least 30 days before we discontinue service for wastewater-only customers. The notice explains the reason for the discontinuance of service and the amount of money owed in the case of a past due bill. For wastewater customers, the 30-day notice may be waived if there is any waste discharge that might be detrimental to the health and safety of the public or cause damage to the wastewater system.

If you receive a notice, please take immediate action to avoid service discontinuance. Call our Customer Service Center at 866-430-0820. We will restore service when the bill has been paid or the conditions that caused the disconnection have been corrected. There is a reconnection fee. If you will be absent from your home or business for a period of time, you may avoid discontinuance of service by:

1. Forwarding your mail to an address where your bill will reach you.
2. Signing up for automatic payment.
3. Requesting termination of your service.

QUESTIONS ABOUT BILLING ACCURACY

For questions about billing accuracy, please contact a customer service representative at 866-430-0820.

CUSTOMER DEPOSITS

Missouri American Water does not require customer deposits.

READING METERS FOR ACCURATE BILLS

Missouri American Water makes every effort to obtain an actual meter reading as the most accurate way to calculate your bill. However, there are times when we may have to estimate usage. For example, adverse weather may prevent meter readings. When it is necessary to estimate usage, Missouri American Water will comply with the bill estimation procedures prescribed by PSC rules 20 CSR 4240-13-020(2)(C). The difference between the estimated bill and your actual usage will be automatically adjusted on your bill following the next actual meter reading.

Outdoor meters should not be opened, as they are sometimes difficult to re-seal properly. If you want to read your meter, you will find a numerical odometer-type meter (similar to the device that records miles traveled in a car). The odometer-type meter readings show the gallons used with a series of numbers in a small window. You can calculate the difference between readings to determine the number of gallons used. Your bill shows usage in terms of gallons. Please see our website for more information about how to read your meter.

COMPLAINT PROCEDURES

If you have a question about your bill that we cannot resolve to your satisfaction, you may pay the bill in full and Missouri American Water will credit any overpayment if the matter is resolved in your favor. If you do not pay the bill in full, Missouri American Water and the Missouri Public Service Commission (MoPSC) have complaint procedures in place that are available to customers to resolve disputes and avoid service discontinuance.

1. Customers must register a complaint by phone or in writing at least 24 hours before the date stated in the notice of discontinuance.
2. Within four days after registering the complaint, the customer must pay the part of the bill not in dispute. If the company and the customer cannot agree on the undisputed amount, at the company's discretion, it may be set at 50 percent of the disputed bill or at the amount of the customer's bill during the same time a year ago.
3. Missouri American Water will thoroughly investigate the complaint and attempt to resolve the problem. If, at the conclusion, the customer is still dissatisfied, we will mail a written notice explaining the MoPSC's informal complaint process. Informal complaints must be made to the MoPSC within five days after the date of the notice to avoid service disconnection. Informal complaints can be made by phone at 800-392-4211 or through the MoPSC's website at psc.mo.gov.
4. The MoPSC staff will investigate the informal complaint and issue findings. Missouri American Water or the customer may elect to file a formal complaint following the issuance of the finding.
5. A formal customer complaint must be filed within 30 days of the MoPSC findings to avoid disconnection. Formal complaints must follow specific rules set out in the MoPSC's Rules of Practice and Procedures, which is available on the MoPSC website at psc.mo.gov.

MISSOURI PUBLIC SERVICE COMMISSION (MoPSC)

Missouri American Water operates under regulations established by the MoPSC. If you feel we have not responded to your issue in a satisfactory manner, you have the right to request that the MoPSC review the unresolved issue. You may contact the MoPSC at:

Missouri Public Service Commission
Governor Office Building
200 Madison Street, PO Box 360
Jefferson City, MO 65102-0360
800-392-4211
psc.mo.gov

OFFICE OF PUBLIC COUNSEL (OPC)

The OPC represents the interests of the public and utility customers in proceedings before the MoPSC and in appeals in the courts. You may contact the OPC at:

Office of Public Counsel
Governor Office Building
200 Madison Street, PO Box 2230
Jefferson City, MO 65102-2230
866-922-2959
opc.mo.gov

From time to time, Missouri American Water's policies may change, so please visit our website at missouriamwater.com for the latest information.

RICHARD SVINDLAND
President

A Message from Missouri American Water President RICHARD SVINDLAND

Dear Customer,

Welcome to Missouri American Water. We are proud to be your water and/or wastewater service provider. Our team of experts delivers high-quality drinking water to nearly one in four Missourians, and we also treat wastewater for thousands of homes and businesses to protect the environment. **We're dedicated to providing our customers and communities with safe, clean, reliable and affordable water and wastewater service.**

This guide will answer questions you may have about our company and the services we offer. We hope you will review its contents and keep it for future reference. If you have questions about Missouri American Water, please call our Customer Service Center at 866-430-0820.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard Svindland".

RICHARD SVINDLAND
President

A young girl with brown hair is drinking water from a chrome faucet. She is looking up at the water as it flows into her mouth. The background is a bright, slightly blurred indoor setting.

PROVIDING YOU WITH HIGH-QUALITY WATER

Nothing is more important than the safety and quality of our water. We work closely with the U.S. Environmental Protection Agency and the Missouri Department of Natural Resources to provide water that consistently meets or surpasses federal and state standards. To do this, we closely monitor our treatment process by performing more than 500,000 tests each year.

Our commitment to exceptional water quality is recognized in Missouri and across the country. Our parent company American Water has received more than 150 awards for superior water quality. All six of Missouri American Water's surface water treatment plants are recognized by the Partnership for Safe Water, an honor achieved by less than 1% of all water utilities.

RELIABLE WASTEWATER TREATMENT

We only have one environment, so we provide communities with scientifically proven solutions for the safe collection, treatment, and release of wastewater.

Below are a few examples of technology we implement:

- ◆ **Membrane Bioreactors:** A powerful and efficient solution for the treatment of wastewater.
- ◆ **Biological Nutrient Removal:** The removal of nutrients through an activated sludge system.
- ◆ **UV Disinfection:** Replacing chlorine with more environmentally friendly technologies for a safer, more efficient way to treat the water making it safe enough to return to the environment.

INVESTMENT YOU CAN COUNT ON

We continuously monitor, maintain and upgrade our facilities so they operate efficiently and meet all regulatory standards. This requires investing in our treatment plants, tanks, pump stations, fire hydrants and metering equipment.

Statewide, we invest more than \$200 million per year in water and wastewater system improvements. Our ongoing commitment to investing in and updating our plants, pumps and pipelines helps provide safe, clean, and reliable service.

EMERGENCY INFORMATION YOU NEED

Missouri American Water uses a high-speed mass notification system to keep customers informed about water-emergencies and planned temporary service interruptions.

Make sure we can reach you by updating your contact information today through **MyWater** at amwater.com/mywater or by calling us at **866-430-0820**.

CONVENIENT CUSTOMER SERVICE

We know you're busy, so we've made it easier than ever to manage your account online through **MyWater**:

- Turn water service on and off
- Track water use
- Sign up for emergency alerts
- Manage your account
- View and pay your bill
- Set up paperless billing

Sign up today by visiting **missouriamwater.com**. You can also contact us at **866-430-0820** to speak with a U.S.-based customer service representative. Call anytime for a water emergency or 7 a.m. – 7 p.m. for non-emergency issues.

PAYMENT OPTIONS

Missouri American Water offers a number of payment options to fit into your busy lifestyle.

AUTOMATIC PAYMENTS: Pay your bill on time, every time. Each month, payments will be automatically deducted from your checking or savings account on the due date.

PAY ONLINE: Visit amwater.com/billpay. Be sure to have your 16-digit account number handy.

PAY BY PHONE: Call **855-748-6066** and use your Visa or MasterCard.

PAY BY MAIL: Send your payment and payment stub in the envelope provided. No cash, staples or paper clips.

PAY IN PERSON: Visit our website to find a location near you. Locations DO NOT accept payments by mail.

PAYMENT ASSISTANCE

Sometimes customers face circumstances that stretch their financial resources. Missouri American Water is here to assist. Our customer service representatives will work with you on a plan to pay the balance of your bill over time. You may also be qualified to receive emergency assistance through our H2O Help to Others Program™, which is supported by voluntary donations from our customers and the company.

For more information about payment assistance options, contact our Customer Service Center at **866-430-0820** or visit us online at **missouriamwater.com > Customer Service & Billing > Payment Assistance Program.**

711 (and then refer to Customer Service number listed above)

- SERVICES**
- Go Paperless:** Save time. Save money. Sign up for Paperless Billing and Auto Pay on My Account at amwater.com/myaccount. Not registered? Log in and be sure to have your account number handy.
 - Water Quality:** We take water quality seriously. When it comes to complying with federal drinking water standards, we consistently score better than the industry average. For a copy of the annual water quality report for your area, visit missouriamwater.com. Under Water Quality, select Water Quality Reports.
 - H₂O Help To Others:** H₂O Help To Others is an emergency assistance program created by Missouri American Water and Missouri's Community Action Agencies. The program helps provide supplemental funding to Missouri American Water customers who would otherwise have trouble paying their bills. H₂O Help To Others is supported by contributions from Missouri American Water and voluntary contributions from customers.

- EXPLANATION OF OTHER TERMS**
- Payment by Check:** Paying by check authorizes American Water to send the information from your check electronically to your bank for payment. The transaction will appear on your bank statement. The physical check will not be presented to your financial institution or returned to you.
 - Estimated Bill:** This occurs when we are unable to read the water meter. Your usage from the same billing period the prior year is used to calculate the estimated bill. The next actual meter reading corrects any over or under estimates.
 - Disputes:** If you have questions or complaints about your bill, please call us at 1-866-430-0820 before the due date. If your bill is unusually high, it may indicate that there is a leak in your plumbing. For tips on how to detect leaks and use water wisely, visit us online. You'll find helpful tools under the Water Information menu. Every drop counts!
 - Rates:** A detailed listing of charges that make up your bill is available upon request by contacting Customer Service or visiting us online at missouriamwater.com. Under Customer Service & Billing, select Your Water and Sewer Rates.
 - Correspondence:** Please send written correspondence to PO Box 578, Atton, IL 62002-0578. Be sure to include your name, account number, service address, mailing address and phone number including area code. Please do not send correspondence with your payment, as it may delay processing your payment and correspondence.

Understanding Your Bill

The information below defines some of the new terms you may find on your bill:

- Service Related Charges:** This section includes charges for services related to water, wastewater and fire protection. If applicable, credits and debits for correction to previously billed charges are itemized in this section.
- Fees and Adjustments:** This section provides details related to additional charges or adjustments for the service period referenced. Fees, when applicable, would include items such as service activation and late payment charges.
- Pass Through Charges:** Charges in this section, when applicable, are separated from other service related charges to provide visibility into what portion of your bill is being remitted to other entities. Payment received for these charges does not remain with American Water. While we may bill and collect for them, the payments received are passed along to other companies and agencies.
- Billing Units:** One billing unit equals 100 gallons of water used. If the meter serving your property measures your water use in cubic feet or a different unit of measure, we convert the usage to gallons to make it easier to understand.
- Average Daily Use:** The gallons shown in the water droplet above represent your average daily water use for the current billing period. Tracking the amount of water you use can help you manage your overall water use from month to month.
- Still have questions?** We are here to help. Our customer service representatives are available M-F, 7 a.m. to 7 p.m. More information on understanding your bill and charges can also be found on our website. See the link below.

For more information about your charges and rates, please visit: <https://amwater.com/mow/rates>

CUSTOMER ASSISTANCE

WE'RE HERE TO HELP

We understand it can be hard to get back on track once an account falls behind. If you are experiencing a financial hardship, we are here to help you. Please see below for several financial assistance options.

LOW-INCOME HOUSEHOLD WATER ASSISTANCE PROGRAM

The Low-Income Household Water Assistance Program (LIHWAP) is a temporary federally funded program that helps low-income families pay their water and/or wastewater bills. LIHWAP provides grants of up to \$750 to help with:

- Current and past-due bills
- Threat of disconnection
- Disconnection and reconnection fees

Please visit mydss.mo.gov/utility-assistance/lihwap to learn more about the program requirements and application process in Missouri.

H2O HELP TO OTHERS PROGRAM

H2O Help to Others is an emergency assistance program created by Missouri American Water and Missouri's Community Action Agencies. The program helps provide supplemental funding to Missouri American Water customers who would otherwise have trouble paying their bills. To find participating agencies, please visit missouriamwater.com > **Customer Service & Billing > Payment Assistance Options.**

ENHANCED INSTALLMENT PLAN

Missouri American Water is offering an enhanced installment plan for our customers through December 31, 2022.

You must set up an installment plan BEFORE your service is disconnected to maintain eligibility. Use our self-service web portal, MyWater, for fast and easy enrollment. If you have questions, contact us at **866-430-0820**.

BUDGET BILLING

Budget Billing provides a fixed monthly payment over a period of 12 months, based on the residential customer's anticipated annual billing. You may enroll in Budget Billing online through MyWater, our self-service web portal.

WE'RE HERE FOR YOU

We can be reached at our Customer Service Center:
1-866-430-0820

Hours: 7 a.m.-7 p.m.

For emergencies, we're available 24/7.

For more information about Customer Assistance Programs, please visit missouriamwater.com > **Customer Service & Billing > Payment Assistance Options.**

PROTECTING YOUR DRINKING WATER

MISSOURI
AMERICAN WATER

WE KEEP LIFE FLOWING®

TAKE OUR SURVEY

You can help us determine if a current or potential cross connection exists.

Complete our survey online at:
<https://forms.office.com/r/ev07RvchV6>

Or mail your completed survey (on the reverse) to:

MISSOURI AMERICAN WATER
Attn: Cross Connection Department
901 Hog Hollow Rd
Chesterfield, MO 63017

Or email your completed survey to:
moaw.crossconnection@amwater.com

Survey data helps us identify where backflow prevention devices may be needed and provides information on existing devices. If your response indicates an actual or potential cross connection, we'll contact you with steps to take to eliminate the hazard and protect yourself and the public.

QUESTIONS?

Please contact **Missouri American Water's Cross Connection Department** at **1-866-554-2912**.

You can also find information at missouriamwater.com > **Water Quality** > **Cross Connection & Backflow Prevention**.

PROTECTING OUR DRINKING WATER SUPPLY IS EVERYONE'S RESPONSIBILITY!

To help protect the public water supply, Missouri American Water implements a cross connection control program as required by the Missouri Department of Natural Resources (MDNR).

WHAT IS A CROSS CONNECTION?

A cross connection is a physical connection between a possible source of contamination and the public drinking water system piping. This connection, if not properly protected, can lead to the contamination of the drinking water system through a backflow event – or when the flow of water is reversed.

Follow these tips to help protect our water supply:

- ◆ Have your backflow device tested by an MDNR certified tester.
- ◆ Be aware of, eliminate and/or isolate cross connections.
- ◆ Maintain air gaps on sinks.
- ◆ Do not submerge hoses or place them where they could become submerged.
- ◆ Use hose bib vacuum breakers on fixtures (hose connections in the basement, laundry room, and on outside faucets/spigots).
- ◆ Install approved backflow prevention devices on lawn irrigation and fire sprinkler systems.
- ◆ Do not create a connection between an auxiliary water system (well, cistern, body of water) and the water supply plumbing.

CUSTOMER RESPONSIBILITY

It is the customer's responsibility to ensure that unprotected cross connections are not created. Required backflow prevention devices must be tested to ensure they meet state requirements and must be maintained in operable condition.

CROSS CONNECTION SURVEY

Save a stamp! Complete the survey online in one of two ways:

- Scan the QR code:

- Go to <https://forms.office.com/r/ev07RvchV6>

Alternatively, mail your completed survey to:

MISSOURI AMERICAN WATER
Attn: Cross Connection Department
901 Hog Hollow Rd
Chesterfield, MO 63017

Or email your completed survey to:
moaw.crossconnection@amwater.com
