Case No. TM-2000-758

Missouri Public
Service Commission

**SUPPLEMENT TO APPLICATION OF SOUTHWESTERN BELL
TELEPHONE COMPANY FOR AUTHORITY TO TRANSFER
CERTAIN SUPPORT ASSETS TO SBC MANAGEMENT SERVICES, INC.**

COMES NOW Southwestern Bell Telephone Company (SWBT) and submits the following information to supplement its Application for Authority to Transfer Certain Support Assets to SBC Management Services, Inc.:

1. On June 29, 2000, the Commission Staff filed its Recommendation to Approve SWBT's Application in this case, pending the Commission's receipt of two items of additional information which were unavailable to SWBT at the time SWBT filed its Application.

2. As SWBT described in paragraph 8 of its Application, attached hereto as Attachment 1 is a spreadsheet which contains an inventory of the specific legal department support assets SWBT will transfer to SBC Management Services, Inc., along with the fair market value of each of these assets, as determined by an independent third party. As reflected on Attachment 1, the fair market value of all of the legal department support assets which SWBT seeks authority to transfer is \$29,260.

3. As SWBT described in paragraph 6 of its Application, attached hereto as Attachment 2 is a list of "any pending action or final unsatisfied judgments or decisions against [SWBT] from any state or federal agency or court which involve customer service or rates, which action, judgment or decision has occurred within three (3) years of the date of the application," as required by Commission Rule 2.060(1)(K). SWBT has no final unsatisfied

judgments or decisions against it which satisfy the listed criteria, but has included on Attachment 2, formal complaints from end user customers which were pending on the date SWBT filed its Application.

WHEREFORE, SWBT respectfully requests that the Commission grant its Application for Authority to Transfer Certain Support Assets to SBC Management Services, Inc.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY
