RE: Applicant: White River Valley Water Company  
David Oliphant, President  
Case No. WM-2006-0557

Dear Ms. Dale:

Can you please advise us if the deficiencies in the application for the above case have been cured? My tentative conversation with the attorney for the applicant suggests the documentation has now been provided. If there is anything further, we want to follow-up and be sure any deficiencies are resolved.

Very truly yours,

Wm. G. McCaffree
