SUPPLEMENT TO APPLICATION

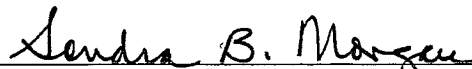

Comes now Fidelity Communications Services I, Inc. ("FCSI" or "Company ") and files this Supplement to Application. In support of its Supplement to Application, FCSI states to the Missouri Public Service Commission ("Commission") as follows:

1. On September 19, 2006, FCSI filed an Application and Request for Expedited Treatment requesting that the Commission overturn a decision of the North American Numbering Plan Administrator ("NANPA") denying certain numbering resources to FCSI in the form of one (1) thousands-number block of numbers to service the needs of Phelps County Regional Medical Center of Rolla, Missouri ("Phelps County").

2. FCSI now wishes to supplement its application to state that the one (1) thousands-number block of numbers is needed in order to serve the needs of its customer because Phelps County has requested that the numbers be consecutive in order to be compatible with its proposed Private Branch eXchange ("PBX") system for the new professional building.

Wherefore, FCSI respectfully requests that the Commission accept this Supplement to Application and grant the relief requested in the previous Application.

Respectfully submitted,
