## **ORDER SETTING LOCAL PUBLIC HEARING**

Issue Date: May 19, 2009

Effective Date: May 19, 2009

On October 23, 2008, Osage Water Company initiated a small company revenue increase request pursuant to Commission Rule 4 CSR 240-3.050. On January 26, 2009, Osage Water filed a Motion for Extension of Time and Waiver of Commission Rule 4 CSR 240-3.050(7) for File No. WR-2009-0149, and on January 30, 2009, Osage Water filed an identical request for its companion case, File No. SR-2009-0152. The extension was granted because there was an error with sending proper notice to Osage Water's customers. The 60-day extension re-set the clock on these proceedings. The revised timeline requires Staff to file an executed Disposition Agreement on May 21, 2009.

On March 19, 2009, the Office of Public Counsel requested a local public hearing. The Commission granted the request with the caveat that the hearing take place after Osage Water and the Commission's Staff file their disposition agreement. At that time, the parties, and the public, will be better informed as to the specifics of the rate increase request.

Commission Rule 4 CSR 240-2.110(1) requires the Commission to set the time and place for hearings and serve notice as required by law. Section 536.067(4), RSMo 2000, and Section 386.390.5, RSMo 2000, require at least ten days notice be given prior to a

hearing. In complying with its statutory mandate, and taking into consideration the expedited nature of the small water company rate increase procedure, the Commission shall set the date for the local public hearing for Friday, June 12, 2009. At the hearing, the Staff of the Commission will hold an informal question-and-answer session beginning at 1:00 p.m. The hearing will begin at 2:00 p.m. and will conclude when every person who wishes to testify has done so.

**THE COMMISSION ORDERS THAT:**
