OF THE STATE OF MISSOURI**

In the Matter of the Small Company Rate Increase) **File No. WR-2009-0418**
Request of Gladlo Water & Sewer Company, Inc.) Tariff No. YW-2010-0253

NOTICE OF CORRECTION

Issue Date: October 19, 2009

The Order Setting Local Public Hearing and Directing Notice to Customers issued on October 15, 2009, contains an error, which the Commission corrects by this notice. On page 3, in the Second Customer Notice and Notice of Local Public Hearing, the last sentence of the second paragraph references a customer who uses “5000 gallons per month” The reference should be to “6000 gallons per month” The corrected paragraph reads as follows:

In addition to the proposed increase is a \$10.00 per month surcharge for up to 30 months to pay for a recent major well repair. The proposal would increase the current customer charge from \$4.98 to \$8.28. The proposal also includes a usage rate increase from \$1.88 to \$3.13 for each 1000 gallons used. This means that under the proposal, a customer who uses 6000 gallons per month will see an increased total bill from \$14.38 to \$33.91 (including the \$10.00 surcharge).
