RE: Water Utility Small Company Rate Increase Request
MO PSC Case No. WR-2011-0056

Missouri Public
Service Commission

Dear Secretary:

Pursuant to the Commission Order issued March 30, 2011, enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Unanimous Disposition of Small Company Rate Increase Request (Disposition Agreement) between the Rex Deffenderfer Enterprises, Inc. (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on August 26, 2010 under the provisions of the Commission's small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$31,081 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

LaVada Cottrill
President & Owner
