Effective Date: October 22, 2012

Marcia Eason has filed a complaint against Missouri-American Water Company. The company has answered and the Staff of the Commission has filed a recommendation.

This matter is now at issue and a prehearing conference and procedural schedule are appropriate to ensure a prompt resolution. At the prehearing conference, the parties or their representatives should be prepared to discuss the nature of any discovery each will conduct and the interval necessary for its completion; the number of witnesses each expects to call at hearing; the number and nature of any exhibits each expects to offer at hearing; the anticipated length of the hearing; and, the current status of settlement negotiations. It is expected that the prehearing conference will provide an opportunity for the parties to further pursue settlement discussions.
