MOTION TO SUSPEND SCHEDULE

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Motion to Suspend Schedule* states:

1. On November 17, 2014, Staff filed its complaint against Respondents concerning the operation of unauthorized water and sewer utilities.
2. On December 15, 2014, Respondents filed their *Request for Mediation and to Suspend Schedule*. In that filing, Respondents stated that TUK was planning to file an application for certificates of convenience and necessity for both the water and sewer systems in question.
3. On December 23, 2014, Staff filed a response in which it recommended suspending the procedural schedule until January 31, 2015 to allow for the Company to file its applications for CCNs. Staff stated that it did not believe mediation to be necessary if TUK filed such applications for CCNs.
4. Subsequently on December 23, 2014, the Commission entered its *Order Setting Time for Filing*, in which it ordered that any further scheduling suggestions would be due on January 5, 2015. Nothing further has been filed in this case.

5. On January 20, 2015, Respondents filed an application for CCN in case WA-2015-0169. On January 21, 2015, Respondents filed an application for CCN in case SA-2015-0170.

6. Because Respondents have taken appropriate action to get in compliance with Section 393.170.2, RSMo, Staff again recommends suspension of this case while the CCN cases are processed.

WHEREFORE, Staff recommends suspension of the schedule in this case while the CCN cases, WA-2015-0169 and SA-2015-0170, are processed.

Respectfully submitted,

/s/ Marcella L. Mueth
