Those attending from the Missouri Public Service Commission included:

Chairman Robert Kenney  
Goldie Tompkins  
Rachel Lewis  
Ethan Todd  
Joyce LaFontain  
Jonathan Whitfield  
Art Rice  
Lisa Kremer  
Dana Eaves  
Randy Gross  
Seoungjoun Won  
Brad Fortson  
Robin Kliethermes

Those participating from Ameren included:

Warren Wood, Vice President Regulatory and Legislative  
Kevin DeGraw, Vice President Power Operations  
Tom Byrne, Director and Assistant General Counsel  
Mike Whitmore, Superintendent Renewable Operations and Administration  
Mark Statler, Plant Superintendent  
Gaye Suggett, State Regulatory Liaison

On June 27 at 12:00 p.m. all participants met at the Maryland Heights Energy Center. Gaye Suggett welcomed the group and everyone introduced themselves. Kevin DeGraw, Ozzie Lomax and Mike Whitmore gave an overview of the Maryland Heights Energy Center and an overview of the Ameren Missouri Gas Turbine Fleet. The group then participated in a walking tour to view the operations of the plant. At approximately 1:30, the group traveled to the Venice Energy Center.

The group arrived at the Venice Energy Center at approximately 2:00 p.m. Mark Statler gave the history and description of the Venice Energy Center. The group toured the Energy Center and the tour was complete at approximately 3:30.
