

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of)
dPi Teleconnect, LLC for Designation as) File No. CO-2010-0054
an Eligible Telecommunications Carrier)

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned attorney, and for its report states the following to the Commission:

1. On October 8, 2010, dPi Teleconnect, LLC (dPi or Company) filed an application to amend its Eligible Telecommunications Carrier (ETC) status that the Commission granted the Company on June 2, 2010. dPi currently receives federal universal service fund low income support for providing certain wireline services in AT&T Missouri service territories, but seeks to amend its status to include the provision of wireless services.

2. Since November 15, 2010, the Staff has requested through email and telephone correspondence that the Company provide a copy of its customer application for wireless service for the Staff’s review, as well as a copy of the procedure the Company intends to use to maintain sensitive customer information provided to verify program eligibility. To date, the Company has not provided the requested information

3. The Staff anticipates filing its recommendation as soon as practicable after the receipt and verification of the Company’s information. Should the Company fail to provide the Staff with the information by December, 31, 2010, the Staff will file a motion to dismiss the case without prejudice.

WHEREFORE, the Staff respectfully requests that the Commission allow until December 31, 2010, for the Staff to file a recommendation, or in the alternative, a motion to dismiss for dPi’s failure to pursue its application.

Respectfully submitted,

/s/ Jennifer Hernandez
