

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Petition of Missouri-)	
American Water Company for Approval)	<u>Case No. WR-2011-0336</u>
to Change Its Infrastructure System)	YW-2012-0147
Replacement Surcharge (ISRS).)	

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (MAWC), and, in accordance with Missouri Public Service Commission (Commission) Rule 4 CSR 240-2.080(16), moves the Commission for expedited treatment of MAWC's tariff sheet, filed on October 6, 2011:

1. On October 5, 2011 (effective October 8, 2011), the Commission issued its Order Granting Joint Motion For Clarification regarding the Commission's September 28, 2011 Order Approving Petition For Change Of Infrastructure System Replacement Surcharge.

2. Concurrently, with the filing of this Motion, MAWC filed a tariff sheet in order to comply with the Commission Order (P.S.C. MO. NO. 6, 12th Revised Sheet No. RT 18.0) (attached hereto as **Appendix A**). This tariff sheet carries a proposed effective date of November 5, 2011 (30 days), and was assigned tracking number YW-2012-0147. MAWC's EFIS filing indicated that it would seek to have the tariff sheet made effective as of October 16, 2011.

3. The ISRS process is authorized by Sections 393.1000 through 393.1006 RSMo, and Commission Rule 4 CSR 240-3.650. Its goal is to provide eligible water corporations with the ability to recover, on a timely basis, certain infrastructure replacement costs outside of a formal rate case filing via the ISRS. The Commission has authorized such an ISRS (as modified in the Granting Joint Motion For Clarification) in this case and there are no further procedures to

be completed in this case. Granting this Motion will afford MAWC the timely rate relief which the Commission has found to be justified. As such, Commission action as requested herein will cause no negative effect on MAWC's customers or the public generally.

4. Accordingly, MAWC seeks the Commission's order allowing the proposed tariff sheet to go into effect on October 16, 2011, or as soon thereafter as the Commission finds to be reasonable.

5. The subject tariff sheet and this Motion have been filed as soon as possible after the issuance of the Commission's Order.

WHEREFORE, for the foregoing reasons, MAWC respectfully requests the Commission to grant MAWC's Motion for Expedited Treatment and approve MAWC's proposed tariff sheet (YW-2012-0147) effective October 16, 2011, or as soon thereafter as the Commission finds to be reasonable.

Respectfully submitted,
