**STAFF REPORTS NO CHANGE TO COMPANY/STAFF DISPOSITION AGREEMENT**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for *Staff Reports No Change to Company/Staff Disposition Agreement* (Report) states the following to the Missouri Public Service Commission (Commission):

1. On October 6, 2009, the Commission held a local public hearing for the above case regarding the rate increase request of I.H. Utilities, Inc., (Company).

2. Pursuant to Commission Rule 4 CSR 240-3.050(19) Staff must file a pleading “indicating whether any material information not previously available was provided at the local public hearing and stating whether that information might result in changes to the utility/staff disposition agreement.”

3. Staff notes that although testimony was offered at the local public hearing involving possible service issues, these were issues of which Staff was already aware and had investigated. Thus, the issues referenced do not affect the Company/Staff disposition agreement.

**WHEREFORE**, Staff respectfully submits its Report for the Commission's information and consideration in this case and requests that the Commission enter an Order adopting the terms agreed upon by Staff and the Company.

Respectfully submitted,

/s/ Sarah Kliethermes
