**Case No. WR-2016-0064**

**MOTION FOR CLARIFICATION**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its *Motion for Clarification* in these matters, hereby states:

1. The Commission on July 14, 2016, issued an *Order Directing Filing Regarding Reconciliation*. In that order the Commission directs Staff to file a detailed reconciliation, “regarding the dollar value and rate or charge impact of the contested issues decided by the Commission....”

2. Staff would like clarification of the terms, “rate or charge impact of the contested issues.” Specifically, Staff inquires whether the Commission wants an average estimated monthly bill for a residential customer; or the rate impact by customer class for each contested issue of the Hillcrest cost of service; or something else entirely.

3. Should the Commission find it proper, Staff would very much appreciate clarification to ensure it files its reconciliation with the details the Commission requests.

**WHEREFORE**, Staff prays that the Commission will accept this request for clarification; and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,

**/s/ Whitney Payne**
