## REQUEST FOR EXTENSION

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and respectfully requests one additional business day to file its reconciliation of issues in the above-referenced case. Subsequent to negotiations between the parties, a stipulation and agreement was filed February 11, 2014, which required some modification to Staff's reconciliation. Staff requested the additional time to complete and review those modifications. In the process of reviewing those modifications the parties discovered an inadvertent error that led to inaccurate numbers. Staff has been working to recalculate the reconciliation and in the interests of providing the Commission with the most accurate numbers possible, respectfully requests an additional extension to file its reconciliation.

**WHEREFORE**, for the foregoing reasons, Staff respectfully requests an extension of time to file its reconciliation of the issues until February 14, 2014.

Respectfully submitted,
