MOTION FOR EXTENSION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and Hillcrest Utility Operating Company, Inc. (Hillcrest), by and through counsel, and for their *Motion for Extension* in these matters hereby state:

1. The parties previously requested an extension of the requirement to file executed disposition agreements to March 21, 2016. Unfortunately, there is significant overlap between the individuals involved in this case with other cases pending before the Missouri Public Service Commission presently calling for immediate attention. This involvement has caused it to be difficult for all parties to make contact in a timely manner and finalize the wording of those disposition agreements. Therefore, the parties collectively request an extension of the filing requirement to March 25, 2016.

WHEREFORE, Staff prays that the Commission will approve this *Motion for Extension* and order the filing date be extended to require the disposition agreements be filed no later than Friday March 25; and grant such other and further relief as the Commission considers just in the circumstances.
