Case No. WR-2016-0064

RECONCILIATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff), Hillcrest Utility Operating Company (Hillcrest), and the Office of the Public Counsel (OPC) by and through counsel, and for their *Reconciliation* in these matters, hereby states:

1. The Commission on July 12, 2016, issued its *Report and Order* in the above-referenced matters. On July 14 the Commission issued an order directing the parties to file a detailed reconciliation regarding the dollar value and rate or charge impact of the contested issues in these matters, resolved by the Commission's *Order*.

2. Staff filed a *Motion for Clarification* July 19, to which the Commission responded July 20, citing section 386.420.4, RSMo.

3. Although not typical in small Water and Sewer rate cases, Staff attempted to comply with its understanding of the Commission's direction and clarification on the rate impact to the customer classes in the creation of the *Reconciliation*. Hillcrest and OPC have reviewed this *Reconciliation* and have no objection.

WHEREFORE, Staff, Hillcrest and OPC pray that the Commission will accept this *Reconciliation* as a complete and detailed summary of the Commission's resolutions of this case as stated in its *Report and Order*, and grant such other and further relief as the Commission considers just in the circumstances.
