ORDER DIRECTING FILING

Issue Date: May 23, 2016

Effective Date: May 23, 2016

At the evidentiary hearing in this matter on May 19, 2016, the Office of the Public Counsel, during cross-examination of witness Josiah Cox, marked a document as OPC Ex. 7 and briefly questioned the witness concerning the document. That exhibit was neither offered nor admitted into record of the hearing. However, since the document was marked and discussed, it should be included in the EFIS case file. The document is a general ledger of First Round CSWR, LLC for the year 2014 and contains a record of numerous financial transactions but is not marked as highly confidential. Before submitting OPC Ex. 7 as a public document in EFIS, the Commission will provide an opportunity for other parties to request that the exhibit be classified as highly confidential.

THE COMMISSION ORDERS THAT:

1. Any party wishing to request a different classification of OPC Ex. 7 shall file its response no later than May 26, 2016.

2. This order shall be effective when issued.
