In the Matter of the Sewer Rate Increase Request of Hillcrest Utility Operating Company, Inc. Case No. WR-2016-0064

STAFF'S LATE-FILED AFFIDAVITS AND UPDATED WORKPAPERS

COMES NOW the Staff of the Missouri Public Service Commission (Staff) by and through counsel, and for its *Corrections and Affidavits* in these matters hereby states:

1. On September 15, 2015, Hillcrest filed a letter with the Missouri Public Service Commission (Commission) requesting that the Commission approve increases in both its annual water and sewer operating revenues, which resulted in the Commission opening two cases, Case Nos. WR-2016-0064 and SR-2016-0065. On October 9, 2015, Staff filed a *Motion to Consolidate,* which the Commission granted on October 21, 2015, consolidating both cases under Case No. WR-2016-0064. Hillcrest and Staff filed to extend the requirement to file an executed disposition, which was granted and set as the new filing date February 26, 2016. The Office of the Public Counsel (OPC) filed a Request for a Local Public Hearing, which was set for Wednesday March 9 and held accordingly. Pursuant to additional extensions, Staff and Hillcrest filed a *Partial Disposition Agreement and Request for Evidentiary Hearing* on March 25, 2016.

2. Extensive negotiations and edits were required to finalize the partial disposition agreements prior to filing. As a result of the extensive work, continuing even after filing, Staff was unable to file its affidavits at the time of filing the *Partial Disposition Agreement and Request for Evidentiary Hearing*. Please find attached to this pleading copies of all of Staff's affidavits applicable to the partial disposition agreements. In addition, please find updated workpapers to reflect certain changes to Staff's calculations filed March 25, 2016.

3. The remaining information contained in Staff's and Hillcrest's March 25, 2016, filing is correct and true to the best of Staff's knowledge as of this date.

WHEREFORE, Staff prays that the Commission will accept these affidavits and updates in addition to the original March 25, 2016 filing; and grant such other and further relief as the Commission considers just in the circumstances.
