COUNT I

10. The Office of the Public Counsel restates the allegations set forth in paragraphs 1 through and including 9 of its Complaint.

11. Based on its information, knowledge and belief, the Office of the Public Counsel states that Fawn Lake Water Corp., and/or Rachel Hackman, has charged and currently charges for water service in the amount of at least \$40 to \$45 for the first 3,000 gallons of water usage \$3.00 per 1,000 gallons of water use thereafter, late fees in the amount of \$5.00 with a potential additional amount of \$10.00, and reconnection fees in the amount of \$50.00.¹

12. Section 386.020(60) defines "water system" to include "all reservoirs, tunnels, shafts, dams, dikes, headgates, pipes, flumes, canals, structures and appliances, and all other real estate, fixtures and personal property, owned, operated, controlled or managed in connection with or to

facilitate the diversion, development, storage, supply, distribution, sale, furnishing or carriage of water for municipal, domestic or other beneficial use.”

13. Section 386.020(59), RSMo., defines “water corporation” to include “every corporation, company, association, joint stock company or association, partnership and person, their lessees, trustees, or receivers . . . owning, operating, controlling or managing any plant or property, dam or water supply, canal, or power station, distributing or selling for distribution, or selling or supplying for gain any water[.]”

14. Pursuant to Section 386.250, RSMo., a water corporation is a public utility and is subject to the jurisdiction, control and regulation of the Missouri Public Service Commission.

15. Missouri courts have held that entities act as public utilities when they sell water services to the public for compensation and have undertaken the responsibility to provide water services to all members of the public within their capability. *Hurricane Deck Holding Co. v. Public Service Commission*, 289 S.W.3d 260, 264-5 (Mo. App., W.D. 2009); *Osage Water Co. v. Miller County Water Authority, Inc.*, 950 S.W.2d 569, 573-5 (Mo. App., S.D. 1997). To do so means the entity has acted as a water corporation and a public utility, as provided by Section 386.020, RSMo.

16. Section 393.170.2, RSMo., states “[n]o such corporation shall exercise any right or privilege under any franchise hereafter granted, or under an franchise heretofore granted but not heretofore actually exercised . . . without first having obtained the permission and approval of the commission.”

17. Section 393.130.1, RSMo., states “Every unjust or unreasonable charge made or demanded for gas, electricity, water, sewer or any such service, or in connection therewith, or in excess of that allowed by law or by order or decision of the commission is prohibited.”

18. Section 393.140(11), RSMo., also states "No corporation shall charge, demand, collect or receive a greater or less or different compensation for any service rendered or to be rendered than the rates and charges applicable to such services as specified in its schedules filed and in effect at the time."

19. The filed rate doctrine precludes a public utility from collecting any rates other than those properly filed with the appropriate regulatory agency. *State ex rel. Associated Natural Gas Co. v. PSC*, 954 S.W.2d 520, 531 (Mo. Ct. App. 1997).

20. Missouri Public Service Commission Rule, 4 CSR 240-3.010 (28) states specifically:

Tariff means a document published by a public utility, and approved by the commission, that sets forth the services offered by that utility and the rates, terms and conditions for the use of those services.

21. Therefore, only a tariff which is approved by the Missouri Public Service Commission may set out the lawful rates for a public utility. Any charge made or demanded by a public utility for gas, electricity, water, sewer or any such service, without a Missouri Public Service Commission approved tariff is statutorily prohibited.

22. Neither Fawn Lake Water Corp., nor Rachel Hackman, have or have ever sought a Certificate of Convenience and Necessity from the Missouri Public Service Commission to authorize it to act as a water corporation and a public utility.

23. Neither Fawn Lake Water Corp., nor Rachel Hackman have tariffs approved by the Missouri Public Service Commission for rates and charges relating to water service.

24. As a result, Fawn Lake Water Corp., and/or Rachel Hackman, has violated, and currently is violating, Missouri statute.

WHEREFORE, the Office of the Public Counsel submits its Complaint, pursuant to Section 386.390, RSMo, and Missouri Public Service Commission Rule 4 CSR 240-2.070, and prays that:

25. the Missouri Public Service Commission issue an order to provide the statutory notice of the filing of this Complaint and, thereafter, hold an evidentiary hearing on this Complaint in accordance with Missouri statutes and Missouri Public Service Commission Rules, and;

26. the Missouri Public Service Commission issue an order in favor of the Office of the Public Counsel and against Fawn Lake Water Corp., and/or Rachel Hackman on this Complaint, and;

27. the Missouri Public Service Commission make findings of fact accompanied by conclusions of law that the current charges for water service of Fawn Lake Water Corp., and/or Rachel Hackman are unjust and unreasonable in that these charges are prohibited by Missouri statute, and;

28. the Missouri Public Service Commission issue an order directing Fawn Lake Water Corp., and/or Rachel Hackman to immediately apply for and obtain a Certificate of Convenience and Necessity, and;

29. the Missouri Public Service Commission issue an order directing Fawn Lake Water Corp., and/or Rachel Hackman to refund any and all unlawful charges for water service, and;

30. the Missouri Public Service Commission issue an order authorizing its General Counsel to seek in Circuit Court any and all penalties allowed by law; and;

31. the Missouri Public Service Commission grant such further and additional relief as it deems appropriate and necessary.

Respectfully submitted,

THE OFFICE OF THE PUBLIC COUNSEL
