I, the undersigned, Daniel A Phelps, hereby state the following:

Direct Testimony of Josiah Cox of 4/15/16 on schedule jc 1.pdf, some of the picture are incorrectly labeled. Picture labeled old lagoon untreated waste draining into creek, this picture is at the third cell of the lagoon. Water overflowing at this stage had gone through 3 of it's 4 cells. Schedule jc 2.pdf, second picture to the right, is labeled looking down roof hole over drinking water well head. That picture is actually a picture looking inside the door of the old structure next to the old stand pipe to cover/protect the valves.

A handwritten signature in black ink that reads "Daniel A. Phelps". The signature is written in a cursive style and is positioned above a horizontal line.
