Case No. WC-2006-0029

ELEVENTH NOTICE REGARDING PROGRESS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its Eleventh Notice Regarding Progress Report (Eleventh Notice) states the following to the Missouri Public Service Commission (Commission).

1. On August 30, 2005, the Commission issued an **Order Directing Staff to File a Progress Report** (Order), wherein it ordered the Staff to file a progress report detailing its efforts to identify a potential interim receiver for Missouri Utilities Company (MU), with that report to be filed no later than September 6, 2005.

2. As required by the Commission's August 30, 2005 Order, the Staff filed a Progress Report detailing its efforts to identify a potential interim receiver for Missouri Utilities Company (MU) on September 6, 2005. As a part of that report, the Staff committed to file either a weekly progress report regarding the identification of a potential interim receiver for MU, or a notice advising the Commission that it has no new information to report, with such filings to be made on Tuesday of each week until this matter is resolved.

3. Consistent with the commitment made in its September 6, 2005 Progress Report, the Staff hereby states that it has no additional or updated information regarding the

identification of a potential receiver for MU to provide to the Commission at this time, and that it will thus not be filing a progress report this week. However, the Staff does anticipate obtaining additional and/or updated information within the next week and thus expects to file a progress report on January 17, 2006.

WHEREFORE, the Staff respectfully submits this Eleventh Notice for the Commission's information in this case.

Respectfully Submitted,

/s/ Keith R. Krueger
