**ORDER CANCELING CERTIFICATES OF CONVENIENCE AND
NECESSITY OF ACQUIRED COMPANIES**

Issue Date: October 23, 2018

Effective Date: November 2, 2018

The Commission has approved a joint application authorizing Liberty Utilities (Missouri Water) LLC d/b/a Liberty Utilities to acquire the franchise and operating assets of six water and sewer companies that were wholly-owned subsidiaries of Ozark International. That transaction closed on August 17, 2018, and Liberty Utilities filed tariffs to adopt the tariffs and existing rates for each of the acquired companies. Those adoption tariffs were approved effective September 22, and this file was closed effective September 23.

It has come to the Commission's attention that while Liberty Utilities was granted authority to operate the six acquired companies, the certificates of convenience and necessity previously granted to those six companies have not been formally cancelled so they are still shown as certificated and active in EFIS. The Commission will cancel those now superseded certificates by this order. This order does not affect the authority granted to Liberty Utilities (Missouri Water) LLC d/b/a Liberty Utilities to own and operate the water and sewer systems it acquired from those companies.

THE COMMISSION ORDERS THAT:

1. The certificates of convenience and necessity held by Bilyeu Ridge Water Company, LLC; Midland Water Company, LLC; Moore Bend Water Utility, LLC; Riverfork Water Company; Taney County Water, LLC; and Valley Woods Utility are cancelled.
2. This order shall be effective on November 2, 2018.
3. This file shall be closed on November 3, 2018.
