STAFF NOTICE

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel and states:

On November 12, 2020, Staff, on behalf of all parties, filed a *Proposed Procedure* for the virtual public hearing ordered in this case. Within that filing, Staff included the following provision:

In order to register participants, the parties propose that the notice of a virtual hearing include an email address, confluencecommets@psc.mo.gov, for customers to contact to indicate if they would like to provide testimony to the Commission, ask questions, and/or received an invite to the virtual public hearing.

That provision contained a typo in the email address, which was identified in the Commission's Order issued November 13, 2020. The correct email address is confluencecomments@psc.mo.gov.

WHEREFORE, Staff prays that the Commission will accept this *Notice*; update the email address for registration to confluencecomments@psc.mo.gov; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
