

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

## **MOTION FOR EXTENSION**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Motion for Extension* in this matter hereby states:

1. In relation to Bertha Anderson's *Complaint* filed against Missouri-American Water Company on March 30, 2017, the Commission held a procedural conference June 8, 2017. At that conference, the judge asked the parties to determine an appropriate procedural schedule for this matter. Staff filed a *Supplement to Staff Report* June 12, 2017, suggesting Complainant's claim is more appropriate for a circuit court to determine. At this time the Commission has not issued a response to Staff's *Supplement*.

2. Staff reached out to Complainant for a date that would be convenient for an evidentiary hearing. The Complainant has asked Staff for additional time to determine when she could attend a hearing.

3. At this time Staff would ask that the Commission extend the filing date for a procedural schedule to June 30, 2017, to permit the parties more time to determine an appropriate date for hearing.

**WHEREFORE**, Staff prays that the Commission will grant its *Motion for an Extension* to June 30, 2017; and grant such other and further relief as the Commission considers just in the circumstances.
