**Case Nos. WA-2012-0018

**NOTICE OF REVISED APPENDIX C TO  
UNANIMOUS STIPULATION AND AGREEMENT**

**COME NOW** the Staff of the Missouri Public Service Commission (Staff), Lincoln County Sewer & Water, LLC, (Lincoln County) and the Office of the Public Counsel (Public Counsel) by and through the undersigned counsel, and files this *Notice of Revised Appendix C to the Unanimous Stipulation and Agreement* with the Missouri Public Service Commission (Commission), respectfully stating the following:

1. On July 19, 2011, Lincoln County filed with the Commission an *Application for Certificate of Convenience and Necessity Authorizing it to Own, Operate, Maintain, Control and Manage Water Systems in Lincoln County, Missouri*.
2. Representatives of Staff, Lincoln County and Public Counsel (collectively referred to hereafter as "Parties") reached a *Unanimous Stipulation and Agreement* to resolve all of the issues involved in this matter, which was filed with the Commission on June 7, 2012.
3. Upon review, Staff noticed that Appendix C to the *Unanimous Stipulation and Agreement* only included depreciation rates for water, though the Parties intended it to provide the depreciation rates for water and sewer. As such, the Revised Appendix C attached and incorporated by reference herein to this pleading should replace Appendix C filed by the Parties on June 7, 2012.

**WHEREFORE**, the Parties respectfully submit this *Notice of Revised Appendix C to the Unanimous Stipulation and Agreement* to the Commission for its information and consideration, and respectfully request that the Commission replace Appendix C as filed June 7, 2012 with the Revised Appendix C attached to this filing, and grant any other relief it deems just and reasonable.

Respectfully submitted,
