Docket No. 17-KCPE-201-RTS

ORDER SETTING PROCEDURAL SCHEDULE

This matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

1. On November 9, 2016, Kansas City Power and Light Company (KCP&L) filed an Application with the Commission pursuant to K.S.A. 66-117 and K.A.R. 82-1-231(b)(3) requesting authorization to make an “abbreviated filing” when filing within 12 months of the Commission’s order in a prior rate case.¹ The Application was filed to true-up environmental upgrade costs at the LaCygne Generating Station; true-up the Wolf Creek capital addition costs to actual costs along with all affected components of KCP&L’s revenue requirement; update the amortization of Wolf Creek refueling outage costs included in base rates to refueling outage 20 expenditures; and incorporate into KCP&L’s rates updates to certain regulatory asset and liability amortizations.²

¹ 17-KCPE-201-RTS, Application (Nov. 9, 2016). In its prior general rate case, KCP&L was granted a waiver of the 12 month period for filing an abbreviated rate case and allowed to file the instant Application no later than 14 months after the Commission’s September 10, 2015 Order in that proceeding. *See* Docket No. 15-KCPE-116-RTS, *Order on KCP&L’s Application for Rate Change*, Attachment A, pp. 7-9.

2. On November 22, 2016, the Commission issued in this docket Suspension, Protective, and Discovery Orders and an Order Designating Prehearing Officer and Granting Intervention to the Citizens' Utility Ratepayer Board (CURB).³

3. On December 2, 2016, Commission Staff, KCP&L and CURB (Joint Movants) filed a Joint Motion for Procedural Schedule, requesting Commission approval of a proposed procedural schedule and certain customer notice recommendations.⁴ The Commission sets the following procedural schedule:

Conference is scheduled for April 26, 2017, beginning at 9:00 a.m. in the Commission's Third Floor Hearing Room, 1500 SW Arrowhead Road, Topeka, Kansas. The Prehearing Officer will preside. Any party who fails to attend or participate in the Prehearing Conference or in any other stage of this proceeding may be held in default under the Kansas Administrative Procedure Act (KAPA).⁶ At the Prehearing Conference, without further notice, this proceeding may be converted into a conference hearing or a summary proceeding for disposition of this matter as provided by the KAPA.⁷

5. An evidentiary hearing, with the Commission presiding, will begin on May 2, 2017, at 9:00 a.m., and continue, as needed, through May 3, 2017, in the Commission's First Floor Hearing Room, 1500 SW Arrowhead Road, Topeka, Kansas. Testimony and briefs must be served electronically by 5:00 p.m., on the date due, without requiring service among the parties of a follow-up copy.
