- A. All parties shall provide copies of testimony (including schedules), exhibits and pleadings to other counsel by electronic means and in electronic form contemporaneously with the filing of such testimony, exhibits or pleadings where the information is available in electronic format. Parties shall not be required to put information that does not exist in electronic format into electronic format for purposes of exchanging it. Electronic materials shall not be provided in any form that prevents forwarding or further electronic distribution of materials.
- B. If either highly confidential or proprietary information must be included in data request questions, the parties shall follow Commission Rule 4 CSR 240-2.135 for properly designating such information.
- C. Counsel for each party shall receive electronically from each other party, an electronic copy of the text of all data request “descriptions” served by that party on another party in the case contemporaneously with service of the request. If the description contains highly confidential or proprietary information, or is voluminous, a hyperlink to the EFIS record of that data request shall be considered a sufficient copy.
- D. If a party desires the response to a data request that has been served on another party, the party desiring a copy of the response must request a copy of the response from the party answering the data request – in this manner the party providing a response to a data request has the opportunity to object to providing the response to another party and is responsible for copying information purported to be highly confidential or proprietary.
- E. Data requests, objections, or notifications respecting the need for additional time to respond shall be sent via e-mail to counsel for the other parties.
- F. Counsel may designate other personnel to be added to the service list but shall assume responsibility for compliance with any restrictions on confidentiality.
- G. Data request responses will be served on counsel for the requesting party and on the requesting party’s employee or representative who submitted the data request and shall be served electronically, if feasible and not be voluminous as defined by Commission rule.
- H. The response time for all data requests prior to the filing of the rebuttal testimony on will be 20 calendar days to provide the request information, and 10 calendar days to object or notify that more than 20 calendar days will be needed to provide the requested information.

- I. The response time for all data requests after the filing of rebuttal testimony and surrebuttal testimony is 10 calendar days to provide the requested information, and 5 business days to object or notify that more than 10 calendar days will be needed to provide the requested information.
- J. If a data request has been responded to, a party's request for a copy of the response shall be timely provided.
- K. All data requests and responses are subject to the discovery cutoff date provided in this schedule. No exceptions will be made without the approval of the Regulatory Law Judge.
- L. Workpapers that were prepared in the course of developing a witness' testimony should not be filed with the Commission but should be submitted to each party within 2 business days following the filing of the particular testimony without further request. Workpapers containing highly confidential or proprietary information should be appropriately marked. Since workpapers for certain parties may be voluminous and generally not all parties are interested in receiving workpapers or a complete set of workpapers, a party shall be relieved of providing workpapers to those parties indicating that they are not interested in receiving workpapers or a complete set of workpapers.
- M. Counsel shall undertake to advise other counsel if a sponsored witness has no workpapers related to their testimony.
- N. Where workpapers or data request responses include models or spreadsheets or similar information originally in a commonly available format where inputs or parameters may be changed to observe changes in inputs or outputs, if available in that original format, the party providing the workpaper or response shall provide this type of information in that original format with formulas intact. Electronic materials shall not be provided in any form that prevents forwarding or further electronic distribution of materials.
- O. Documents filed in EFIS are considered properly served by serving the same on counsel of record for all other parties via e-mail contemporaneously with the EFIS filing.
- P. Testimony shall be prefiled as defined in Commission Rule 4 CSR 240-2.130. All parties must comply with this rule, including the requirement that testimony be filed on line-numbered pages.
- Q. The parties shall agree upon and Staff shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in

which they will be called, and the order of party cross-examination for each witness. The list of issues shall be stated with particularity. If the parties are unable to agree to an issues list, each party shall file a separate issues list.

- R. Each party shall file a simple and concise statement summarizing its position on each disputed issue.
- S. All pleadings, briefs, and amendments shall be filed in accordance with Commission Rule 4 CSR 240-2.080. Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the unresolved issues that the parties believe require decision by the Commission.
- T. All parties shall bring an adequate number of copies of exhibits that they intend to offer into evidence at the hearing. If an exhibit has not been prefiled, the party offering it must bring, in addition to the copy for the court reporter, copies for the five Commissioners, the Presiding Judge, and all counsel.
- U. The parties shall pre-number their hearing exhibits sequentially with individual party designation as follows:
 - a.) MAWC Exhibit No. 1, MAWC Exhibit No. 2, MAWC Exhibit No. 3, etc.
 - b.) AGP Exhibit No. 1, AGP Exhibit No. 2, AGP Exhibit No. 3, etc.

 - d.) Staff Exhibit No. 1, Staff Exhibit No. 2, Staff Exhibit No. 3, etc.
- V. Each party shall prepare a comprehensive exhibit list before the evidentiary hearing with the listed exhibits numbered sequentially as directed in paragraph U. Copies of the exhibit lists shall be provided to the Commissioners, the Regulatory Law Judge and the Court Reporter at the beginning of the hearing.
- W. In the event that the parties reach a settlement of all of the issues, such settlement shall not be grounds for a continuance of the hearing unless the agreement is final, has been submitted to the Commission in writing, and there are no objections to the agreement.
