ORDER DIRECTING FILING

Issue Date: May 22, 2017

Effective Date: May 22, 2017

On Friday, May 19, 2017, after business hours, Missouri-American Water Company (MAWC) filed tariffs purporting to comply with the Commission’s Order Granting Certificate of Convenience and Necessity. MAWC also filed a motion for expedited treatment requesting that the tariffs become effective by May 23, 2017, or as soon thereafter as the Commission can address them. The tariffs bear an effective date of June 18, 2017. However, MAWC stated that a closing on the assets, as approved in the Commission’s order, was set for May 23, 2017, and this was the reason for the request for expedited treatment. The Commission will direct its Staff to file either a recommendation regarding the tariffs or a status report indicating the earliest date that it is able to file such a recommendation.

THE COMMISSION ORDERS THAT:

1. The Staff of the Missouri Public Service Commission shall file either a recommendation regarding Tariff Nos. YW-2017-0244 and YS-2017-0245 or a status report indicating the earliest possible date it can file such a recommendation, no later than May 23, 2017.

2. This order shall be effective when issued.
