Re: Case Nos. SA-2005-0297 & SA-2005-0467 - Timber Creek Sewer Company
Withdrawal of PSC No. 2 - Tariffs - YS-2006-0615

Dear Ms. Dale:

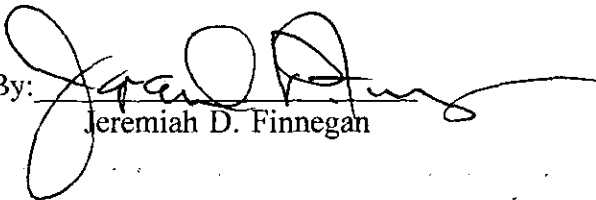

On January 31st, I mailed you a new set of tariffs for filing. They had a date of issue of February 15, 2006 and a Date Effective of March 17, 2006. The tariffs were filed in your office on February 3, 2006 and assigned the designation YS-2006-0615. We now wish to withdraw these tariffs.

Since the filing, we have been working with Commission Staff in revising certain sections of the tariffs and rather than filing a substantial number of substitute sheets, we have elected to withdraw these tariffs and subsequently file them again after the revisions have been agreed to or by no later than March 15th the date by which the Commission ordered such new tariffs be filed.

Therefore, please do whatever is necessary to remove the tariffs from your files and either dispose of them or return them to me.

Very truly yours,

FINNEGAN, CONRAD & PETERSON, L.C.
