

September 30, 2013

Morris Woodruff
Secretary
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The accompanying tariff sheets issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), are being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electricity:

<u>Filed</u>	<u>Canceling</u>
1st Revised Sheet No. 59	Original Sheet No. 59
1st Revised Sheet No. 59.1	Original Sheet No. 59.1

These tariff sheets are being issued September 30, 2013 to become effective on and after October 30, 2013.

The tariff revisions are being made to include the option for customer-owned unmetered LED (Light Emitting Diode) Street Lighting rates in the Company's current 6(M) tariff.

Pursuant to paragraph 4 of the Nonunanimous Stipulation and Agreement Regarding Certain Revenue Requirement Issues, in the Company's most recent electric rate case, File No. ER-2012-0166, the Company performed and submitted to the Missouri Public Service Commission (Commission) an evaluation of offering large scale LED Lighting rates. The Company submitted its findings to the Commission on July 31, 2013. The results of the evaluation showed that large scale LED lighting was not cost effective at this time. However, the Company recognizes that some customers may wish to install LED lighting. The Company offers these unmetered LED lighting rates as an energy only option. The Company will not maintain spare parts and is not responsible for the upkeep and maintenance of these LED lights.

Sincerely,

Wendy K. Tatro
