Re: Capital International Communications, L.L.C.;  
IXC Application  
Tariff File Number: YX-2004-0765

Dear Mr. Roberts:

This is to correct the above captioned tariff. First of all the statutes and communication rules listed on page two of the tariff should be amended to read as follows:

Statutes

392.210.2-reports & records  
392.240(1)-ratemaking  
392.270-valuation of property (ratemaking)  
392.280-depreciation accounts  
392.290-issuance of securities  
392.300.2-transfer of property  
392.310-stock & debt issuance  
392.320-stock dividend payment  
392.330-issuance of securities, debts and notes  
392.340-reorganizations

Commission Rules

4 CSR 240-10.020 --depreciation fund income  
4 CSR 240-3.545(2)(c) --rate schedules  
4 CSR 240-30.040 --Uniform System of Accounts  
4 CSR 240-33.030 --Minimum charges rule

Secondly, on page 11 of the tariff, the definition of day should be amended to state:

"Day-From 8:00 AM up to but not including 5:00 PM local time Sunday through Friday" rather than "Day-From 8:00 AM up to but not

Mr. Dale Hardy Roberts

including 11:00 PM local time Sunday through Friday".

Finally, during my December 18, 2003 telephone conversation with a member of your staff, it was brought to my attention that page 16, was omitted from the tariff that was submitted earlier. In order to correct this, I have enclosed page 16.

Thank you very much for your attention to this matter. I welcome any questions or comments that you may have.

The corrected pages are enclosed.

Sincerely,
