**Subject:** Hearing - Missouri American Water Company scheduled for 01/15/2021

Mr. Pringle:

Within the last week,

I received a package of documents

3/4 inch thick from opposing counsel.

These documents must be the information which I requested pertaining to actual water usage.

Due to the amount of time required to review these documents and respond to disputed information, I am requesting the current hearing date scheduled for January 15, 2021, to be moved to the optional date of February 8, 2021.

This information will be reviewed with an attorney, and any responses required will be sent to your office and the respondent's attorney.

Please respond to this e-mail before 5:00pm today.
