TO: Judge Paul Graham
Regulatory Law Judge, Adjudication Department
CC: Jennifer Hernandez, Attorney for Respondent
Re: DeFeo v. MO American Water, File No. WC-2021-0075

Good morning!

I regard mediation as a good tool for resolving disputes. I support Respondent's request for mediation and will participate in mediation.

I do request that the mediation not be scheduled until after Respondent provides the documents requested by Complaint and after the PSC staff reports are available.

Thank you.

Louis DeFeo.
