**STAFF’S REQUEST FOR SECOND EXTENSION OF DEADLINE
TO FILE REPORT AND RECOMMENDATIONS**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through undersigned counsel, and requests a second extension of the deadline to file a report and recommendations to March 1, 2022:

1. On December 16, 2021, Ralph Rudolph filed a complaint against Missouri-American Water Company.
2. On December 17, 2021, the Commission issued its Order Directing Complainant Response, Respondent Answer, and Staff Investigation. The Commission directed Staff to investigate the complaint and file either a report or a request for extension of time no later than February 15, 2022.
3. On February 14, 2022, Staff requested and received an extension of the report deadline to February 22, 2022. Staff believes now that more time is needed fully to analyze the relevant data in light of the law and regulations related to water meter testing. Staff now believes it will have a report and recommendation ready for filing by March 1, 2022.

4. Missouri-American Water Company and the Office of Public Counsel have consented to this request. The undersigned has not received a response from the complainant.

WHEREFORE, Staff respectfully requests that the Commission extend the deadline for Staff's report until no later than March 1, 2022.

Respectfully Submitted,

/s/ Paul T. Graham #30416
