ORDER DIRECTING STAFF TO INDICATE WHEN IT CAN FILE
A RECOMMENDATION

Issue Date: June 28, 2005

Effective Date: June 28, 2005

On June 2, 2005, Lake Region Water & Sewer Company filed an application with the Missouri Public Service Commission, requesting authority to provide water and sewer service to an unincorporated portion of Camden County, Missouri. The Commission established June 27 as the deadline for submission of requests to intervene. No one has applied to intervene.

Since there have been no requests to intervene, the Commission is waiting for its Staff to file a recommendation before acting on the application. So that it may be aware of progress in this case, the Commission will direct its Staff to file a pleading indicating when it will be able to file a recommendation.

IT IS THEREFORE ORDERED:

1. That the Staff of the Commission shall, no later than July 8, 2005, file a pleading advising the Commission when Staff will be able to file its recommendation regarding the application of Lake Region Water & Sewer Company.
2. That this order shall become effective on June 28, 2005.
