           for a certificate of Convenience and Necessity of Authorization

Commission,

    We the following residents/owners of property with-in the Bennington Estates Subdivision in Lincoln County, Missouri request that the Commission approve the request of the LLC for a Certificate of Convenience and Necessity authorizing the LLC to Own, Operate, Maintain, Control and Manage the Water and Sewer System with-in the Bennington Estates Subdivision. Mr. Dennis Kallash has maintained our water and sewer system in an outstanding and professional manner. Any issues have been addressed in a timely and satisfactory manner.

    It is the understanding of the here-in signed residents that if the request from the LLC is approved, water meters will be installed at each property without delay. The cost of installation will be the complete responsibility of the LLC. This will ensure that each property is billed for their individual water usage.
