**RE: Inmate Calling Solutions, LLC d/b/a ICSolutions formerly known as Inmate Calling Solutions, LLC - Replacement Tariff
Case No. XN-2007-0376**

Dear Ms. Dale:

Enclosed for filing are the original and two copies of this letter regarding the issue of notifying customers of the name ICSolutions. The Company is an inmate service provider and provides automated operator assisted calling services to inmates in correctional facilities. ICSolutions does not provide presubscribed services, does not have address or other contact information of the people that inmates call, and therefore, no direct "customer" notice can be provided. Please note, however:

The correctional facility management personnel are always notified of the names of the providers who serve their facilities.

The company's website refers to ICSolutions.

Branding announcements made at the time each call is placed also use the name ICSolutions.

Therefore while written notice is not possible, end users are all made aware of the name by various means.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose. Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or morton@tminc.com. Thank you for your assistance.

Sincerely,
