#### **I. RESALE AGREEMENT REACHED**

Spectra presents to this Commission for approval the Interconnection and Reciprocal Compensation Agreement Between Spectra Communications Group, LLC and T-Mobile USA, Inc. ("Agreement") that was negotiated and executed pursuant to the terms of the Act. Following good faith negotiations to address all of the complex issues involved in such an agreement, the parties signed the Agreement on January 28, 2003, and hereby file the Agreement, together with two attachments incorporated therein. There are no outstanding issues between Spectra and T-Mobile that need the assistance of mediation or arbitration.

#### **II. REQUEST FOR APPROVAL**

Spectra seeks the Commission's approval of the Agreement, consistent with the provisions of the Act. Spectra believes that the implementation of this Agreement complies fully with Section 252(e) of the Act because the Agreement is consistent with the public interest, convenience and necessity, and does not discriminate against any telecommunications carrier. The Agreement promotes interconnectivity and diversity in providers, and will increase customer choices for telecommunications services.

Spectra respectfully requests that the Commission grant approval of this Agreement, without change, suspension or other delay in its implementation. This is a bilateral agreement, reached as a result of negotiation and compromise between Spectra and T-Mobile.

### **III. STANDARD FOR REVIEW**

The statutory standards of review are set forth in Section 252(e) of the Act, which provides:

#### **(e) APPROVAL BY STATE COMMISSION**

- (1) APPROVAL REQUIRED.** – Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted shall approve or reject the agreement, with written findings as to any deficiencies.

    - (ii)** the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; . . . .

### **IV. MISSOURI LEGISLATION**

The negotiated and executed Agreement is consistent with Missouri Senate Bill 507, which became effective on August 28, 1996.

**WHEREFORE**, Spectra Communications Group, LLC respectfully requests the Commission to enter an Order approving its Interconnection and Reciprocal Compensation Agreement with T-Mobile USA, Inc.

Respectfully submitted,
